VOLUNTEERS NEEDED! We are also currently seeking further volunteers to help support/grow the Inshes Primary extra-curricular programme. If you could therefore spare an hour of your week to help our children at Inshes Primary keep active, then we would love to hear from you! Don't want to do this alone, then why not share this experience with a friend? No formal qualifications required, just enthusiasm, dedication and a positive attitude towards sports and physical activity. Full training, mentoring and guidance can be provided if needed.

For further information on any of these activities and/or on how you could get involved/support the Inshes Primary extra-curricular provision, please contact matthew.allan@highlifehighland.com or call 07748 703814.
