points**

Goldie the Globe's

**Rights Respecting Award of the Week! Woo
hoo!**

Article 29 - includes learning to respect our environment

UN Convention on the Rights of the Child

29 I have the right to an education which develops my personality, respect for others' rights and the environment

29 I have the right to an education which develops my personality, respect for others' rights and the environment

-  Education should develop my respect for human rights.
-  It should develop my personality and talents.
-  Education should develop my respect for the natural environment.
-  It should encourage me to respect my parents, my own and other cultures.

Our Rights Respecting Champions this week are:

P1B

P3
Cloakroom
champs

Our Rights Respecting Cloakroom Champions are:

You will get to keep one of our awesome mini - Goldies in your class for one week!

Please look after our Goldies and enjoy having them in class!

Can someone from each class please come out to get their Goldie! There are stickers for everyone too!

Well done! I wonder who will win next time?

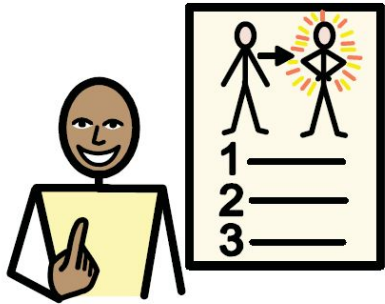

P1B

P3

Article 29 - includes learning to respect our environment. Next week we will award the classes for demonstrating our KRIB values as well as possible

UN Convention on the Rights of the Child

29

I have the right to an education which develops my personality, respect for others' rights and the environment

Education should develop my respect for human rights.

It should develop my personality and talents.

Education should develop my respect for the natural environment.

It should encourage me to respect my parents, my own and other cultures.
